The special seed used to grow this corn provides a crisp and naturally sweet flavor with no added sugar.

Directions: Heat (do not boil); season to taste; serve. To serve in salads or as a garnish, open can, drain and use.

For microwave: Empty contents into glass or ceramic dish; cover and heat 2-3 minutes.

We are very interested in any comments from our customers. If you would like additional suggestions or have product information questions, send the code on the can end to Pride Consumer Affairs Department.
